**SUBJECT: Hockey Canada Registry Demonstrations**

---

Please be advised that on the Hockey Alberta web site there are now web demonstrations on executing various functions within the Hockey Canada Registry. These demonstrations are great for quick reminders on how each function is completed. The following are the demonstrations available to users:

- Adding Participants to a Team
- Editing a Member
- Searching for a Member
- Pre-Registration of Members
- Transferring Participants
- Finding Participants

Please ensure that all Association Registrars are made aware of these HCR "How To's" as it may provide them a quick answer to their questions. For immediate access go to:

[http://www.hockey-alberta.ca/association.aspx?p=minor\\_-\\_hcr\\_how\\_tos](http://www.hockey-alberta.ca/association.aspx?p=minor_-_hcr_how_tos)

Should there be a suggestion on another type of demonstration please don't hesitate to have it submitted to your Zone Registrar.

Thank you for your immediate attention to this matter.
